Dear Bob:

On May 18, 2007, Cal-Maine served Responses to the State's April 20, 2007, Requests for Admissions and Request for Production. Shortly after that we sent you a letter explaining why we felt the Responses were insufficient. We have had no response to that letter, and don't necessarily need anything in writing from you but we would like to go ahead and meet and confer with you about it. Since you have also raised questions about our responses to Cal-Maine discovery perhaps we could meet and confer about both at the same time. Would you please provide us a few dates and times which would work for you? Thanks.
